The "GOLD MEDAL" qualities of our Madiran wines

The five winning rings of success of our healthy AOC Madiran wines are –

The complex "**Character**" derived from the Tannat grape and the terroir. The "**Traditional**" way the wines are made, which is uncommon today. The "**Balance**" of Fruit, Oak and Acidity is widely acknowledged. "**Food Matching**" and the elevation of flavours in the mouth is a special quality of these wines, and, "**Cellaring**" for many years will reveal great treasures in the future. *Our Trophy award is for the unique heart healthy qualities of these wines.*

If you have not experienced healthy [Madiran & St Mont](#) red wines before then now is the time. Our customer [TESTIMONIALS](#) confirm the research.

A Wise Woman

This quote brings to mind politicians. Are they all in this mould? This week one has appeared before the privileges committee.

"Nobody speaks the truth when there is something they must have."

Elizabeth Bowen

Elizabeth Bowen was an Anglo-Irish novelist who was greatly interested in 'life with the lid on' and what happened when the lid came off. Her work deals with innocence and betrayal and the secrets that lie beneath the veneer of respectability
