Dear Customers

As the cold weather creeps up the country and widespread snow falls are expected this week it's a good time to consider healthy eating and a balanced diet. There is every reason to include heart healthy wines rich in procyanidins as they are extremely effective antioxidants that act against free-radicals that promote many diseases.

BY POPULAR DEMAND we again have a 6 bottle special offer from Didier Barre of Domain Berthoumieu, one of the most prestigious winemakers in south west France.

The reds are sensational with steak, roasts, rich vegetable stews, and cheese. Plus, the single bottle of sweet white is a beautiful introduction to a class of wine similar to Sauterne, but in our view the freshness makes it superior. Try it, you won't be disappointed - it always gets a fantastic reception at our wine tastings.

Domaine Berthoumieu awards include -

- **GOLD Medal + TANNAT TROPHY at the INTERNATIONAL WINE CHALLENGE 2004**
- **Gold at Concours Général Agricole de Paris 2007**
- **SILVER at Decanter World Wine Awards 2007**
- **91/100 by Wine Spectator for Charles de Batz**
- **In TOP 60 of Decanter's 2006 "The world's best value reds"**

Wise Woman

"The thing women have yet to learn is nobody gives you power. You just take it" Roseanne Barr

The Final Word

There are a million great cheap wine buys around at present, but you should spend your wine dollars carefully. Cheap wine invites excessive consumption. Why not enjoy OUR specials, a glass a day is all that's required for good cardiovascular health, and be reassured you are helping to prolong your enjoyment of life on this earth.

If you have not tried our wines before please consider it. All are carefully selected from the best winemakers in the South West of France. We have a money back policy on any unopened wines if they don't suit you for any reason. Please also note our heart healthy reds are, because of the same wine making reasons, tremendous food wines that will elevate your food and wine taste experiences.
