The nose is full with intense aromas of ripe berry fruits (strawberry, raspberry, redcurrant, blackberry). The mouth is balanced between fine bubbles and ripe fruits with a little sweetness adding roundness. Sensational summer refresher. Think of it as an aperitif. Optionally, add ice and a wedge of lemon - so refreshing. All the flair of an impressionist painting! **Enjoy very fresh and very cold straight out of the fridge.**

85% Negrette and 15% Syrah

The grapes are from the youngest vines in the estates and therefore the wine is very fruity and smooth. Using the ripest and most aromatic grapes, the fermentation is at a controlled temperature of 10°C. No sugar added. The fermentation is stopped early by cooling the wine. It is bottled immediately so the fermentation aromas are preserved. These processes make this wine quite unique - sparkling and low alcohol with some sweetness.

Minimum purchase for your own pic'n'mix is 3 bottles.
