Montus is the flagship domaine from Vignobles Brumont. Alain Brumont was declared the 'French wine maker of the decade' for the 1980s - yes, the DECADE.

A vintage of "great dimension" says Alain Brumont. Intense and complex on the nose ending with hints of fruit jam and spices. Fruity in the mouth with a very long finish. This wine is 100% Tannat grapes from 25 year old vines. Montus has an international reputation and won many awards.

Alain Brumont is considered the premier wine maker of the Madiran. He owns around 10% of the total appellation and has the very best terroir amongst his portfolio of land blocks.

## What the experts are saying

Robert Parker "***These are unreal wines that are purely made, remarkably rich and so complete and promising that they cannot be ignored***" This comment was made in reference to the wines of Vignobles Brumont. Our Madiran wines from Alain Brumont are Montus, Bouscasse, Bouscasse VV (old vines) and Torus.

Vincent Gasnier, Master Sommelier on Madiran says "***This is top-class wine ...***" "***... the region is dynamic, and I think we will be seeing this wine more and more in restaurants and shops over the coming years.***"

### Don't forget these two new features -

Our NZ LOW ALCOHOL Rieslings - delightful anytime wines

NZ produced **LOW ALCOHOL** and off-dry Rieslings are really taking off. The low alcohol and off-dry Rieslings rated equally in number to their dry cousins in the 'short-list' of winners in the WineNZ Magazine Riesling tasting in late 2007. See [> our selection](#)  
The freshness and purity of many of these local Rieslings is such that even the Germans would be happy to claim they made them. As they say, you must try them before you die. Why pay \$40 and more for a German when we are doing so well in NZ.
